_____ **Street of Lights - \$100 Contribution plus \$25 Gift Certificate**

Your \$100 contribution helps off-set the costs associated with the 2018 Christmas Events and assure that we will be able to properly advertise these fun & important community events! On Saturday evening, December 1st, after the parade, we'll invite the entire community to gather at the Bishop City Park for the Tree Lighting Ceremony. We'll then encourage everyone to kick-off Christmas shopping downtown at the Street of Lights Party. To promote visits to each store, shoppers will be given a map which must be stamped by several participating merchants in order to enter the Street of Lights Raffle. Your \$25 gift certificate will be one of the raffle prizes. New for 2018, shoppers can keep the maps and gather stamps until 12/10 to encourage more visits to each shop. *(Must return form & payment no later than 11/20/18 to be included on the map).*

_____ **Sidewalk Table - \$20 plus \$25 Gift Certificate or Raffle Prize**

For those businesses or organizations without a downtown location, you may set up a display/sales table on Academy Street. This is a terrific way promote your business by providing product samples, handing out brochures and visiting with shoppers!
